LETTER OF DEFICIENCY
No. WMD 06-001**

Attn: Jamie Huens, Environmental Manager

**Re: Wal-Mart Store #2681
Littleton, New Hampshire
EPA ID # NHD510005911**

Dear Mr. Huens:

On August 4, 2005, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of Wal-Mart Store #2681, ("Wal-Mart") in Littleton, New Hampshire. The purpose of the inspection was to determine Wal-Mart's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Wal-Mart was issued Letter of Deficiency No. WMD 06-001 (the "LOD"). Based upon a review of Wal-Mart's submittals received since the inspection, DES has determined that Wal-Mart has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor Wal-Mart's compliance status through record reviews and on-site inspections. This Letter of Compliance does not release Wal-Mart from liability for penalties to which it may be subject for the violations identified in the LOD.

If you have any questions regarding this letter, please contact the lead inspector, Tammy Calligandes or me at (603) 271-2942. Thank you for your cooperation.

Sincerely,
